

School Staff & Teachers SCAVENGER HUNT

For each of items listed below, find one staff member to sign beside the criteria that is applicable to them. A staff member can only sign on the same sheet once. For some of the items, the good, better, best factor comes into play (eg. Find the staff member who owns the most pets). In that case if A finds someone who owns seven pets and B finds someone who owns 9, B will get a bonus point. Each legitimate signature is worth one point. Items with a * in front of them will allot for bonus points at the end of the hunt. Please note applicable details under **COMMENTS** for any items with a * in front of them. Have fun getting to know one another.
